OUR

WEDDING ANNIVERSARY

September 6, 1961

Alno J. Larson
Husband

AND

Emma Jane Abbey
Wife (maiden name)

HOW OUR DAY WAS SPENT

The day was beautiful and the temperature moderate.

The morning was spent doing usual household duties and reminiscing on our marriage in Spokane, Washington, on Sept. 6, 1911. Time: 7 P.M., day, Wednesday.

At 9 o'clock Ruth Kung drove in and at 11 A.M. Wilbur and Ruth Larson arrived with a car filled with good things to eat.

A snack lunch at noon.

Wilbur and Ruth Larson, assisted by Mrs. Joe Kung and Mrs. Earl Jorgensen, proceeded with arrangements in observance of our 50. wedding Anniversary. We just stood by and looked on.

At 4 P.M. guests began to arrive and continued to come until about 9 P.M.

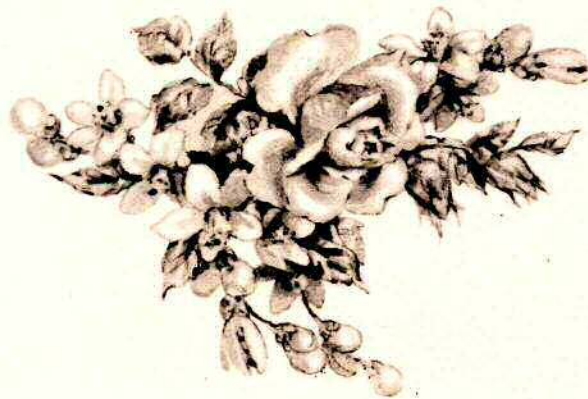

Refreshments were served by Mrs. Ruth Larson, Mrs. Ruth Kung and Mrs. Mona Jorgensen with Donna and Shirley Jorgensen at the punch bowl and Wilbur Larson at the coffee urn.

PERSONAL THOUGHTS
ON THIS Fiftieth WEDDING ANNIVERSARY

Our thoughts and thanks are first to the Triune God who has created us, sustained and nourished us, through these fifty years of married life and who has showered upon us His spiritual blessings from day to day, unworthy though we be.

We are thankful for all temporal blessings, for health and strength and for all things necessary for our physical needs.

We are thankful for parents who pointed the way to a Christian life and who declared and expounded that way through our Lord and Saviour, Jesus, the Christ.

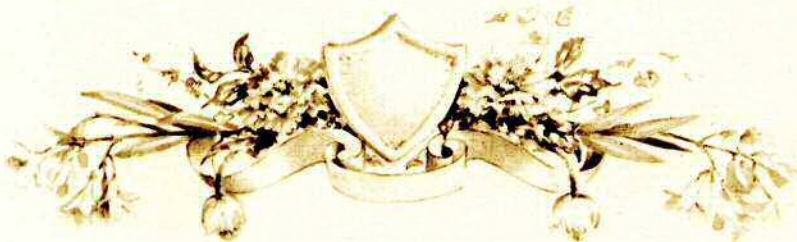

PERSONAL THOUGHTS

ON THIS Fiftieth WEDDING ANNIVERSARY

We are thankful that we were brought to the Throne of Grace through baptism, and that we were brought up under the influence and care of the Christian Church.

We are thankful for a dutiful son, a loving daughter, through marriage, and for three grand-sons, Leigh, Reed and Bruce.

We are thankful for brothers and sisters, relatives and friends, who have been and are so kind to us and thoughtful of our welfare.

PERSONAL THOUGHTS

ON THIS Fiftieth WEDDING ANNIVERSARY

We are thankful for the neighborhood in which we live and for the kind and considerate people in this Community.

We are thankful that we live in the United States of America. For Presidents who have sought peace with Justice and who have declared these principles throughout the World.

Our prayer is that God in His infinite mercy, from whom all blessings flow, will continue to bless, guide and direct us as individuals and as a Nation in the Path of Righteousness until the end of Time.
