Mrs. Ruth Larson  
Watertown, Wis -

Nov. 4th 1968 - 6.15 P.M.

Dear Mrs. Larson!

My youngest daughter (also named Ruth) who resides with her husband & 2 Children (Girls) in Brodhead Wisconsin - . Noticed an article in one of the local papers - (Mrs. F. M. Bickett) so she cut it out & sent it to us. Not being sure it was the Mrs. Bickett, of Watertown, that we knew.

So it goes, old timers less, and less, that we knew - It was always a pleasure to meet Mrs. Bickett - And <sup>we</sup> wanted you and Mr. Larson to know, that we always had a warm spot in our hearts for her -

Thinking back, I still can see her Cheery smile, her sincere and warm greeting - And she'd chuckle - even when she said to me - "If I never see Swamp Sanger again, It will be soon enough for me!"

Yes I remember that Congregational Church in Watertown - by that little Park - The Church you (Ruth) used to call "That little old Church." So your mother told me these little things I see Mrs. Bickett - As the scripture states -

In Revelation - "Be faithful <sup>unto</sup> the end;  
and I will give you a Crown of Life," and  
I am sure she will be granted this  
Christian promise.

I note by the Chipping - 3 Great Grand-  
Children - Evidently your Boys - are married.  
Congratulations to all of you, on that.

This year 1968 - saw the passing  
of 2 of my brothers - The oldest, Feb. 22<sup>nd</sup>  
age 79 - ~~B~~ Mo. & youngest <sup>Sept 16<sup>th</sup></sup> 58 - Edna. So I am  
the sole survivor left of the 5 Witt boys  
now. Of my Children 1 boy 4 Girls -

(1) boy Died in Infancy - all married for  
some time now - 14 Grandchildren so far -

Oldest Grandchild is already in High school.

<sup>Mrs Richard Jensen -</sup>  
↳ Ruth is the only one living in Wis. 3 in  
Illinois - 1 - in California - so they  
are pretty well scattered.

Mrs. Witt & I wish to extend our sincere  
sympathy to you & yours - Just had  
to drop you a line, to let you know  
we still remembered - and Cared. -

Sincerely,

Herman & Emma Witt.
