

ORBIT

1960

Foreword

"The American concept of equality is based on the belief in the immense value of every individual, and the right of every individual to make out of himself the very best human being that he can." To show the opportunities offered to the individual, the ORBIT portrays the educational facilities of Watertown.

WATERTOWN HIGH, WE'RE LOYAL TO YOU--

Because you have sculptured our lives thus far and have prepared us to enter the world. All of our characteristics will be traced back to you, because it is you that transformed us from growing children into young adults. Everyone of our future attempts, will be determined by the molding which you have given us.

While pondering, we become aware of all the traits that you have indoctrinated in us, which are necessary for thriving in this world. One key to success is punctuality. Even though we may have scoffed at rising early to serve a detention, we realize now that it was to our benefit to learn to abstain from tardiness. Through the years we have learned to carry the load of responsibilities, a necessity for living independently. From our participation in all forms of extra-curricular activities, we discovered the importance of co-operation. Thus far our teachers have commanded our respect, but now, the experience and the wisdom of our elders has been instilled in us, so that we should retain it for the rest of our lives.

Now, as a departing class, we hope we have quite competently mastered these virtues: punctuality, responsibility, cooperation, respect for elders--and thus we hope to be prepared to break out of our protected shell and live independently in this world. You have made us what we are; therefore we're loyal to you, now, and we shall always be.

"AND WE'LL SING YOUR PRAISE TO THE SKY"

"And we'll sing your praise to the sky" is a phrase passing through the minds of many, filled with an overwhelming sense of belonging and sharing. Small as it may seem its meaning and fond memories are beyond expression.

As one stops to wonder about the blue infinity that surrounds the earth and how strange and wonderful it is, many questions come into our minds. What is it? Why is it there? Such a strange and mysterious world, yet so common in our lives.

Something, anything, "up to the sky" seems so unfathomable that it plays funny tricks with our emotions. That is what happens to us when we think about the second line as we sing the Alma Mater. This overwhelming joy and victorious feeling will be felt throughout the rest of our lives. For this reason, Watertown High School will be praised until eternity.

WE WILL ALWAYS BE TRUE TO THE MEMORIES OF YOU

Will it be those obscure dates of history, those provoking problems of mathematics, or those dull drills of language usage that we will remember when school has become a memory? On the contrary, we will remember the influence of history on our lives today and profit by the wisdom and the errors of the past. Long after we have forgotten actual mathematical theorems, we still will retain the value of patience and perseverance. The mastery of our language will be our tool for all communication. The powerful influence of good example and the patient improvement of our talents has taught us the obligations, the virtues, and the satisfaction of hard work.

HERE'S A TOAST TO THE BLUE AND WHITE
 What I really praise about Watertown High is the feeling found inside. The corridors aren't just newly tiled floors or rows of brand new lockers; they are a pathway of friends, knowledge, and preparation for the future. The walls don't merely form the structure of the building, but to me they house a heart full of memories.

Within these walls people have tried to be helpful to me in developing me as an individual. When you walk down a corridor you see many doors. Every teacher is a key to unlock these doors.

Walking through Watertown High gives me a feeling of unity. All of us are united, striving to better ourselves so that someday we can help make life better for our posterity.

TRY HARD TO WIN THE FIGHT

From the very moment we are born, our struggle and fight for self-preservation begins. At first it is a fight to take our first breath. We succeed and then go on to many valuable and interesting experiences throughout our lives.

To this day we are still fighting to preserve our country and what it stands for. Not only nationally speaking, but also locally. We as Junior High students know some day we will play an even bigger role than we are now doing, in preserving our peace, and fighting for what we believe is right. We should all start now in choosing the right things that we will fight for--things that will make us good citizens; we should all fight for self-control and for self-confidence. These are worth while and if we start now we will make this a better world for everyone to live in.

ON WORK YOUR WAY TO VICTORY

What exactly is a victory? Victory is an achievement attained by overpowering opposition in any struggle. In that respect the attainment of victory is actually a challenge.

Everytime you see your high school football or basketball teams win a game, you are proud of their victory. Everytime you pass a test with a good grade you have scored a victory for yourself. Every sport is a challenge, and every day in school is a challenge.

Almost everything in life is a challenge; if you meet the challenge well, you will have attained a great victory. If you have set a goal, strive to reach it, and if you do, you have scored an important victory for yourself.

As you grow older you will have to meet and conquer new challenges. "On Work Your Way to Victory."

The Story of the Year

Who says confusion reigns supreme?
This Orientation Day is like a bad dream
While homeroom teachers murder each name
The S.C. guides are growing lame.

On Wednesday, Sept. 23, to be exact
W.H.S. school spirit launched its initial attack
The newly formed Pep Club met today
Good luck, dear Chuck! is all we say.

Jolly Good sports - Dave & Doug

A Sadie Hawkins,
quite merry

Kathy & Rohde and Richard & Shari
Decided to make Sadie Hawkins quite merry
With Kathy in her kerchief and Dick in his cap
Found Shari with lollipop; Dick donned for
a nap.

The final 7 min. of the Homecoming
game
(As far as we know this brought little
acclaim)
People running thru torrents out of the
sog
A voice shouted out, "Look at everyone running
to get those hot dogs!"

Engel has a headache now!
Through Hartford's team we sure did plow
Though the score was six to twenty,
Be glad the turf was not cementy!

Speaking of ailments Doug was appointed
To prove to the others he's not double
jointed!
At Ripon the rain fell and so did the
players
A dislocated elbow emerged from the
layers.

On Oct. 5 appeared for all
A sign which read a brief "Stand Tall"
Call it a slogan or even a motto
Nevertheless we all now "oughto"

Mr. James vs. Hotdog

"Now get out there and fight!!!"

The B squad games thrilled
every crowd
And of their spirit we can be proud,
After this well deserved rest
We saw the B squad at its best.

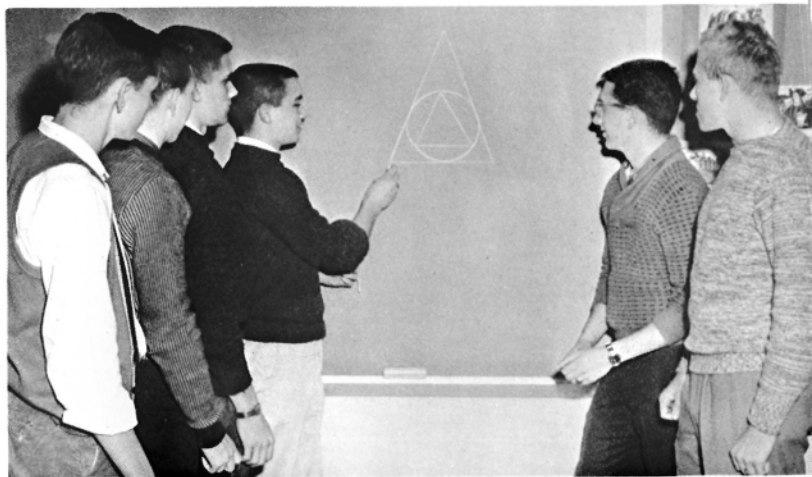

Not long after Christmas vacation
We found ourselves not lacking in
celebration
Diamonds sparkled many third finger
left hand
With the promise of the forth coming
wedding band.

Scholarship, Leadership, Character and Service.

Listen all people and you shall
hear
Mr. Watson & "Reiny" addressing
the peers
On the 18th of Oct. in the year
'59

Was the Dedication Day of our
high school so fine.
That day in December we should
not forget
For that was the day our fine
Congressman we met
He told us of our government, "We must
Keep alert
To ward off the Russians" quote
worldly Robert.

Math Finalists " $a^2 + b^2$ equals c^2 "

Six fellows in all from our H_2O
town
In the field of math are now quite
reknown
They were the winners in a group
of forty-four
Now we must commend them with con-
gratulation galore.
Every Thursday at just about 12:25
You'll find that the library is
really alive
On that day President Dave you see
Calls to order the National Honor
Society.

Scholarship at its very best
Strong leadership without rest
Add service & leadership quality
And you'll have the National Honor
Society.

On a special Monday of each month,
a certain Senior lad,
Was honored by the Rotary, a great
big dinner had.
And it can be said by each lad and lass
"These fellows are fine representatives
of the Senior Class."

We're proud of our Rotary Boys!!

They packed their luggage to the top,
And with excitement nearly did pop,
As they set out on the Eastern Tour,
(This poetry is really poor!!)

The first stop was Washington D.C.
With cherry blossoms trimming each tree,
The statues, monuments, the White House too,
All were visited by the traveling crew.

Eastern Tour. "We're Off!"

In huge and wonderful N.Y. City
They did continue on their little
ditty,
They visited shops and skyscrapers
high,
(If someone should slip, how they
really would fly.)

Our basketball team is really great,
So great they even went to state,
Of our team we'll always boast,
Mr. Grabow, and fellows--You're the
most!!

Spring Production, "Papa is All."

Once again, actors get the call,
This time for the spring play, "Papa
is All",
Many hours of hard work mingled with
fun,
Resulted in fine entertainment for
everyone.

To the seniors, graduation meant
much,
High School activities, memories,
and such,
Some hearts felt sorrow, some eyes
filled with tears,
Yes, these truly were four marvelous
years.

Commencement Address
MR. ANGUS R. ROTHWELL

The Graduating Class of 1960

Welcome
Class President,
RALPH ECKHARDT

Commencement

We start anew...the future is ours...
..our lives will be what we make
them....from now on we meet new
people, try new occupations....this
is the end of so much, but also the
beginning of so much more.
