RECAP OF THE 2020 SEASON - In week 1 at the HAWAIIAN OPEN, 5 contestants had the winner, Cameron Smith. Of those 5, 3 of them finished in the top 70 at the end of the year. NAVONOD took control of 1st place in week 2. SHOOTER MC moved into 1st place in week 3, but then steadily fell throughout season & finished 119th. KEEPER was 1 of 4 contestants with the winner in week 4, the PHOENIX OPEN, pushing him into 1st place. He also had a steady decline ending the year in 154th. Week 5 saw NAVONOD return to the top spot. He would remain inside the top 60 for the rest of the year finishing 60th, his worst rank for the season. FINGER 31 got his 2nd win of the year in week 6, the GENESIS INV. & took over 1st place which he would hold for the next 6 events. He was the most consistent contestant this year, never dropping lower than his finishing spot of 34th. Then the pandemic shutdown hit at the TPC, which was cancelled. We missed 3 months of golf before the CHARLES SCWAB CHALLENGE got us back into action in early June. At the 12th event of the season, THERMOBOY had 1 of the 36 winners at the RBC HERITAGE, moving him into 1st place, a spot he would hold for 11 straight events. He ended the year in 6th place. GROVE took over the 1st place at event 23, the US OPEN & hold it for just 1 more event before ending the year in 4th place. At the 25th & final event of the year, the MASTERS, CAROLS was 1 of 37 contestants with the winner, Dustin Johnson, putting her atop the standings for the 1st time this season. CAROLS had top 10 finishes in almost half the events this season, posting 12 top 10's in the 25 events this year, making her the 2020 Champ. Congratulations to CAROLS & all the winners this year. Well it has been a tough year, but we got through it. When the tour shut down, I received a lot of input. Some thought I should cancel the entire season, some thought we should carry on & just use the tournaments that were available. I could see both sides, but I felt a compromise was the fairest way to handle it. Since we had roughly 3/4 of the tournaments that we could use, I reduced the overall prize fund to roughly 3/4's of the original & prorated the segments, leaving a \$10 credit for every player for the 2021 season. Feel free send me your comments. The above results become final at noon on November 26th, 2020. Any protests to the standings must be received by me before the deadline. I will then begin the process of making the payout. Please be patient as this can take 2 to 4 weeks. Thanks to all who bought me a beverage, lunch, or dropped me a few bucks to help cover the cost involved in running this contest. Info for the 2021 season will be out in 2 to 3 weeks. Good health & happiness to all.
